THE WHITE MAN'S VIEWPOINT

Blacks Terrorize Whites In Africa

In Communist Mozambique negro demands a White Lady give him her motorbike.

She refuses and the "big, brave" black smashes her in the face.

Short White man rushes in and restrains the vicious black. Note smiling negroes in the background.

Negro next moves in to brutally kick the victim.

Black police arrive but do not arrest the negro. She is left with blood streaming down her face. This is "democracy" African style.

Why Whites Cannot Live Under Black Rule

On this page we reproduce a series of photos which show a typical incident that has resulted in Whites being forced to flee all African countries in which power has been turned over to the blacks. This series of photos was shot in Mozambique. Negroes were told that independence meant that everything the Whites have belongs to them. Thus Whites were forced off their jobs, found black squatters occupying their homes, and were tormented in the streets. This resulted in 300,000 Whites fleeing Mozambique in a matter of six months after the black takeover.

In the sequence here we see a black demanding that a White lady turn over her motorbike to him. She refuses, so he knocks her to the ground. Note the smiling blacks standing in the background, especially the one with the white coat and with his hands in his pockets.

Then a Whiteman rushes in to restrain the vicious black beast after he has kicked the poor woman. In the last photo we see her standing with blood streaming from her face. In the background are negro police who have arrived, but who do nothing to help and do not arrest the black attacker.

This is the simple fact of life, proving that the White people of Southern Africa will have to flee their homelands if political power is turned over to brutal, primitive and uncivilized blacks

Churches Blackmail South Africa

Four major church groups in America are demanding that major U.S. corporations doing business in South Africa "devise strategies to use their investments to bring about black rule in Southern Africa." They urge stockholders to bring pressure on said corporations toward this end. The churches adopting this resolution are the United Presbyterian Church, United Methodist Church, United Church of Christ and the Roman Catholic Church.

The brainless thinking and anti-White attitude of these churches is obvious from the following sentence quoted from their resolution, which reads: *"Whites in South Africa have the highest standard of living in the world, while blacks live in desperate, hopeless poverty. Racism dom-*

Exposed: Alabama Jew New FBI Chief

Fake "Rightist" Groups

Kosher Conservatives Back Terrorist Begin

"Young Americans for Freedom" (YAF) shocked true Right Wing Patriots with their total endorsement of Israel and its illegal occupation of Arab lands. Meeting in New York's "Statler Hilton Hotel," the YAF adopted a resolution calling for continued military aid to Israel so as to prevent "Arab and Communist aggression."

The only aggression in the Middle East has been the series of wars launched by the Jews to conquer Arab lands. The Arabs have only fought to take back what has been illegally taken from them. The YAF is today headed by John Buckley, cousin of Bill Buckley, owner of the *National Review*. Buckley was the original founder of YAF. He has a sister married to a Jew and Buckley has long supported Israel. The Buckley's fail to mention that Begin, as leader of the terrorist Irgun, murdered hundreds of innocent British and Arabs during the late 1940's. As for Israel protecting the Middle East from Communist aggression, that is ridiculous! The Communist Party has been outlawed in every Arab country surrounding Israel and all Russians have been kicked out of Egypt.

Young John Buckley told the YAF convention that they would *"lobby vigorously in support of foreign aid to Israel."* Rabbi Abraham C. Nussbaum delivered the invocation and said: *"It is a pleasure to view such a large Jewish representation in the leadership echelons of YAF."* The YAF announced that they would form a front group known as "Conservatives for a Just Peace in the Middle East" which would support Menahem Begin's belligerent stand against reasonable negotiations. The YAF named the young Jew, Ira Streitfeld, to run the group.

Patriots should keep in mind that William F. Buckley has come out in favor of the U.N.'s Genocide Treaty which would outlaw criticism of Jews and all minority groups. Buckley also has endorsed the treaty to give away the Panama Canal.

Other Sell-Out Conservative Groups

The "American Conservative Union," headed by Rep. Philip Crane, has endorsed Israel's intransigent leader Begin. Crane says he is a *"responsible leader."*

Human Events, the so-called conservative Washington weekly, shocked Patriots with two articles, one endorsing Begin and the other: "Why Israel Resists Carter's Mideast Plan." The Zionist News Service said this would help cleanse the publication of "latent anti-Semitism" which it had been charged with in the past.

"The Conservative Caucus," headed by mailing list king Richard Viguerie, also endorses Begin and Zionism. His publication regularly features Jewish writers in *Conservative Digest* and seeks to mislead rightists into backing the Zionists. No sincere Patriot should support ANY of the above groups.

How Jew Vote Elected Koch New York Mayor

Jews make up around 23% of the population of New York City. They are able to control the city politically because almost 100% of all Jews eligible to vote actually go to the polls. On the other hand, only 25% of the Gentiles bothered to cast ballots in the recent election. It was a clear case of Italian Catholic, Mario Cuomo, against the Jew Edward Koch. In the heavily Jewish neighborhoods Koch received 75% of the vote. In the end, Koch won with 55% of the total vote, as compared to 45% for Cuomo.

In Rome, Italy, the daily *Il Tempo* stated: *"Less than a quarter of the Italian Americans registered as Democrats took the trouble to vote, while Koch received over 75% of the Jewish vote. Unless Americans decide to vote in larger numbers, like the Jews, they can only complain when Jewish candidates get elected."*

inates this area just as it once dominated so much of the globe during the colonial days."

The truth is that the blacks of South Africa have a higher standard of living than those in any black ruled nation. They have government supplied homes, medical care and welfare programs which do not exist at all in black Africa. In fact, all of the negroes who today live under brutal black dictatorships had a far higher standard of living under White colonial rule than they do today. When will the churches of America awaken to the fact that the White Race is the superior race and that if we ceased to exist on this earth tomorrow, the races of Africa, India, etc., would be wiped off the face of the globe in a decade from disease and famine? It is the genius of the White Race that keeps the world alive and moving forward today.

Judge Frank Minis Johnson, Jr. Rabbi buried his son after suicide.

West German Victory

German Commandos Free Hostages

The news that crack West German commandos had struck 4,000 miles from their homeland, in Somalia, Africa, electrified the world. This tremendous victory over communist revolutionaries is an inspiration to all freedom-loving people. The swift attack lasted only 8 minutes and 3 of the 4 terrorists were killed. All 86 hostages were freed unharmed.

In West Germany relief was expressed at this great victory and the courageous action by the German elite forces. No doubt this sent shivers down the spines of the Eastern Europe Communist forces which know that only the West German army has the fighting will to stop any Red Army attack across the heart of Europe. Also gratifying was the suicide of Andreas Baader and two of his fellow revolutionaries in a German jail. They were counting on the jet hijackers' blackmail plan to gain their release.

This great event certainly brings back memories of Otto Skorzeny, whose daring commandos rescued Mussolini in 1943. When bravery and skill are called upon in emergency action, the Germans are among the best fighters in the world. Two movies were made about the Israeli raid at Entebbe, Uganda, where Jewish hostages were held. The films made a great deal to do about the bravery of the Jews in fighting the primitive negroes guarding the airport. The Jews used four times as many men in their raid as the Germans used, and at a far greater cost in lives, including mistakenly killing three of their own people. We wonder if Hollywood will give the German special forces the same treatment in a new film on this successful humanitarian exploit. Considering which racial group controls the movie industry, this is not very likely.

Carter Names Jew to Head FBI

Everyone was surprised when President Jimmy Carter named Federal Judge Frank Minis Johnson, Jr. to become the new chief of the FBI on January 1. Johnson is supposed to be a Republican. The only other Republican in the Carter Administration is James Schlesinger. He is the only holdover from the Nixon Administration and he "just happens" to be a Jew too.

Now we have confirmation that Judge Frank Johnson is also a "Republican Jew." Two years ago his only son, James Curtis Johnson, 27, committed suicide. A reader in Montgomery, Alabama sent us a short clipping from the *Montgomery Advertiser*. It stated that the young Johnson's funeral was presided over by a rabbi. This never happens unless the deceased is a Jew.

Irving S. Shapiro, powerful Jew leader had to give Johnson his stamp of approval.

Below reprinted from "Jewish Week," Oct 2, 1977, quotes Jew expert as saying Johnson's middle name is Jewish.

> Rabbi Malcolm Stern, the leading Jewish expert on genealogy, is looking into the possibility that Judge Frank M. Johnson, Jr., the newly-appointed head of the FBI, may be descended from Jews. The M initial in his name stands for "Minis," which was the name of the first Jewish family to settle in Georgia. . . .

On October 2, 1977, Bernard Postal, writing in *Jewish Week*, stated that Judge Johnson is a Jew. His middle name is "Minis" and that is a known Jewish name. This, along with the rabbinical burial of his son, is all that we need to know, proving Carter chose Johnson because he is a Jew. Being from the South, Johnson will more easily be able to use the FBI agents to continue their reconstruction program of enforced race-mixing against the White people.

Frank Minis Johnson, Jr. was born in Winston County, Alabama. This county was strongly pro-negro and the only Alabama county to oppose seccession during the Civil War. They refused to support the South and some of Judge Johnson's Jewish forebears deserted the Confederacy. Judge Johnson became a federal prosecuting attorney from 1953 to 1955. Then, as a liberal Republican, President Eisenhower appointed him federal judge in Montgomery. Here is where he gained his reputation as the most radical federal judge in the South.

Judge Johnson is called a *"carpet-bagging, scallawagging, race-mixing, bald-faced liar"* in Alabama. This is an apt description of his record on the bench. It was Judge Johnson who first ordered integration on Montgomery city buses during the boycott led by Martin Luther King, who was an emerging pro-communist "civil rights leader." Johnson ordered that the state poll tax be abolished to help more blacks vote. He ordered reapportionment of Alabama voting districts, which allowed blacks to first be elected to political office. Judge Johnson personally directed the integration of more than 100 Alabama schools.

Who Picked Johnson To Head FBI?

When President Carter decided that he needed a new FBI chief, he picked the Jew, Irving S. Shapiro, president of the DuPont Corporation, to head up a committee to find the "right" man. Shapiro's group considered more than 230 people. On August 17 in Washington, D.C., Attorney General Griffin Bell announced that "Mr. Shapiro has authorized me to say that he approved of the choice of Judge Johnson and that Judge Johnson had fit the profile that the committee had developed of the sort of person it wanted for the job."

It was not explained what kind of "profile" they sought but Johnson has proven himself to be a fanatic enemy of the White Race. The only thing that may yet save the people from the wrath of this judicial tyrant's rule is his health. He has been in the hospital during the past two months for an operation to correct an aneurysm of the abdominal aorta. This problem of a "balooning artery" is caused by either disease or injury and can reoccur at any time. His physician, the Jew Dr. J.J. Kirschenfeld, states that Frank Minis Johnson should be able to recover and run the FBI.

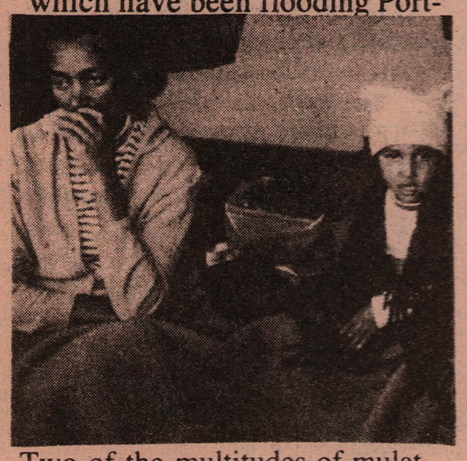
Aliens Flood In To Qualify For Amnesty

Portugal Going Black

Mongrelization Puts Portugal To Sleep

Portugal has a growing negro population. When their colony in Africa, Angola, fell to Cuban Communists some 100,000 negroes and half-castes poured into Portugal. This was the final vanguard of Asians and coloreds which have been flooding Portugal for many decades. That nation is fast becoming mongrelized and this continued process will mean that all Portugese will have negro blood in their genes in the very near future. Their foreign workers overflow in all parts of Northern Europe. Mating with White women they further the down breeding of the White Race.



Two of the multitudes of mulattoes pouring in from Angola to Portugal.

Writer James M. Markham recently returned from Portugal and reported that the nation was listing toward disaster. He reports they have the worst inflation rate in Europe, 40% annually, a percapita income of only $1,650 per person. Economic turmoil is rampant, strikes, and unemployment have all but paralyzed the nation. Film maker Fernando Lops stated: *If there were competence in Portugal, fascism would not have fallen as easily as it did.''*

Markham writes that the nation has yet to make a decisive move either to the right or left, because the people are indifferent, they are *''asleep!''* He quotes a Lisbon society matron as saying *''one should never underestimate the lethargy of the Portuguese.''*

Recently a White Portuguese Catholic teacher from San Diego wrote us that he had attended a meeting of Portuguese immigrants. He was shocked that the recent arrivals in this country wanted a group to lobby for a designation by the U.S. Census bureau that they be counted as ''non-Whites''. This would qualify them for special minority poverty aid programs. Most long time U.S. Portuguese residents opposed such an action, but present immigrants from Portugal are of mixed blood.

For more information concerning Portugal's downfall from being one of the world's greatest colonial powers to being a ''backward'' and ''undeveloped'' nation is detailed in our 4-page tract entitled: *''The Negroes Gift to Portugal.''* Special 15 copies $1 or 100 copies $7.50. Order extra copies from the Thunderbolt and awaken your friends on how interracial breeding can bring about the destruction of a civilization. Portugal is the perfect example.

Carter Amnesty Brings in More Aliens

Pres. Carter's proposal to grant all illegal aliens who have been here before last January 1st permanent resident status has caused swarms of Mexican immigrants to attack our southern Border. In Tijuana, Mexico some 250,000 illegals await their opportunity to cross over our border.

They are spending from $150 to $350 to purchase falsified papers including rent receipts, bills etc. to prove that they were in America before January 1st, 1977. It is estimated that for every illegal alien granted amnesty, they will later bring in 5 relatives. If we use the conservative estimate of 10 million illegal immigrants, this means a total of 50 million additional will be eligible to enter!

The New York Times of May 16 said that there were as many as 350,000 illicit negro immigrants from the Island of the Dominican Republic alone in New York City. Deputy Mayor Stanley Friedman stated that New York could accept ''selective amnesty'' for illegal immigrants who hold jobs that citizens would not accept. He said amnesty for 750,000 of the more than 1 million illegals in the city would give New York an additional $20 million in federal poverty aid funds. This would worsen the national problem, and make it more difficult for the city's 400,000 unemployed to find jobs.

Rep. Mario Biaggi, a Puerto Rican, stated that American workers lost $10 billion in wages last year due to illegal aliens working. The tax loss was astronomical because they all claim from 8 to 12 dependents, thus avoiding income tax deductions from their wages.

The Carter Amnesty Program has drawn fire from organized labor. They charge that foreign workers will take jobs away from American citizens. More of them would become eligible for food stamps, medical aid, welfare payments and would place an intolerable burden on government budgets.

It is doubted that Congress will pass the bill which would make it a crime to knowingly hire an illegal alien. Counterfeit proof alien registration cards would help and one bill would add 2,093 men to the border patrol. The National States Rights Party has urged the mining of the Mexican border to keep out the hordes of illegal immigrants.

Unfortunately, a current bill to give the Immigration department an additional $225,000 to guard our borders was cut to a mere $6,000. We can spend fortunes on aid to unfriendly foreign governments, but cannot find any money to protect the lifelines of the Republic. If the struggle to stop swarms of illegals pouring into America is not won, then the nation and the White Race will be lost in a sea of colored peoples.

Wiesenthal Attacks NSRP Legal Defense Fund

Simon Wiesenthal denounced the National States Rights Party and its ''Patriotic Legal Fund'' for giving money to persecuted anti-communist Europeans. They are being persecuted as so-called ''War criminals'' on charges brought by Jews from Russia and Israel. Wiesenthal is the despicable character who has spent his entire life working with perjurers provided by the communists. He is responsible for innocent German and Eastern Europeans being tried because they fought to keep the Reds from overrunning their homelands.

The Jews and the prosecution have unlimited funds to spend in persecuting these poor people. Still the Jew Wiesenthal has the nerve to complain about the few thousand dollars we have been able to give Mrs. Hermine Ryan. This poor woman has now been on trial for almost two years and it is predicted that her ordeal will last until 1980.

Nothing has been proven against this woman but the Jews like to keep these persecution trials going so that they can continue to scream about the (mythical), ''6 million dead Jews''. This is the main topic at fund raising dinners such as this one where Wiesenthal made false charges against the Patriotic Legal Fund. While the Jews and their goy-stooge henchmen have all the money in the world at their fingertips to persecute Christians they want Mrs. Hermine Ryan and the others forced into poverty and deprivation. If you object to this vile Jewish kettle of fish, then you can show your opposition by making a contribution directly to the ''Patriotic Legal Fund'', P.O. Box 1211, Marietta, Ga. 30061.

Beer War Helps Race Mixing

Boycott Budweiser, Miller, & Schlitz Beers

Beer is a $6 billion industry. Right after Prohibition there were 700 local breweries in America. This number dwindled to 118 by 1965 and to only 47 today. Within 10 years it is estimated that our rapidly growing population will find only 15 breweries left.

Anheuser-Busch, makers of Budweiser, Busch and Michelob, have over 50% of the market. Miller and Schlitz are in a battle for second place. Coors and Pabst sales are down because of the fierce advertising by the top three.

The huge advertising campaigns to boost beer sales began when the Jewish-owned Philip Morris cigarette manufacturer bought control of Miller beer. The Jew George Weissman was placed in charge of Miller. He spent over $500 million in cigarette profits to revitalize Miller's beer's sales program. Successful Madison Avenue advertising techniques sold young people ''flip top'' cigarette boxes and ''low tar'' cigarettes. Weissman used the ''light'' beer suggestion of lower calories to induce millions of young people, and especially women, to drink Miller ''Lite'' beer.

The lite idea caught on fast and was copied by Anheuser-Busch and Schlitz. Anheuser and Miller will both spend over $100 million in TV advertising next year. Thus, the small local breweries continue to fold as the monopolists squeeze them out. Our chief complaint against Bud, Miller and Schlitz is that, in their frenzy to build sales, they give huge amounts of money to civil rights organizations like the NAACP and the Urban League. They jointly practice job discrimination against White workers and make sure this is published in the negro press. They are willing to harm White community solidarity as well by promoting socializing between the races just to build beer sales among blacks. These three companies often depict TV ads with both blacks and Whites drinking together. Such practices are an open door to interracial dating which, in turn, leads to mongrelization of the White Race. Patriots are warned that when they purchase Bud, Miller or Schlitz or their side brands, they are promoting monopolist and anti-White companies..

The "Light" Beer Ripoff

The fastest growing segment of the beer market is the so-called ''Lite,'' or ''Light'' beer. George Weissman of Miller promoted this new idea with the intent to draw more young people and especially women into drinking beer. He has been highly successful and both Budweiser and Schlitz have brought out their own versions of the so-called ''Light'' beer. The truth is that this beer will mean even greater profits for the brewers because it costs much less to make.

They are able to cut the calorie content of beer by cutting the alcohol content. Most regular beer is over 4% alcohol, while ''Light'' beer is only about 2%. Beer marketing expert Orion P. Burkhardt says: *''What people are really getting is more water and less alcohol.''*

The old story of artificial flavoring and color being added to water costs little, and adds to profits which are in large measure plowed back into advertising. When all is said and done and after all the small independent brewers are ruined, prices will jump, quality will fall, and profits will be used by Weissman and his copiers against the best interests of the White majority.

Note: Miller is coming out with an even weaker, watered down beer called ''Player.'' Miller is already marketing a Lowenbrau beer which is brewed here in America but leads people to think it is the ''good, old, original German beer.'' Another fraud upon the public! The Thunderbolt will continue to report such consumer ripoffs in future issues.

Chicago Says 'No' To Busing

There are several cities where the federal government is afraid to push forced busing to mix the races. These include Chicago, Detroit suburbs, Cleveland and Philadelphia. These are cities where White European nationality groups have strong family ties in well-established neighborhoods.

Chicago has just begun testing minority busing to White schools and this had brought about strong protests from Whites living in the neighborhoods to which the blacks are being bused. The race-mixers have dared not even suggest that White children be bused into the dangerous black jungles of Chicago's South Side.

Chicago has a population of 3.3 million, with about one-third being black. In 1960 the city school system still had a White majority. Today many parents with young children have fled to the suburbs. Chicago's White majority is mostly made up of older Whites whose children are grown. The city schools are now 59% black, 25% White, 15% Hispanic and 1% Asian. Despite the colored majority, the schools are still segregated. Some 669 public schools are at least 95% black, 68 are over 95% White and 4 are 95% Hispanic.

In April, 1976, Chicago schools were threatened with the loss of federal funds if they did not begin busing. To date the busing of White children has not yet begun and no date has been set for its implementation.

Most Racist City

School Board member Mrs. W. Lydon Wild states that "there is a great polarization of the races here. Chicago is the most racist city in the country. Racial feelings are even stronger here than in Boston. I don't see how there will be peaceful desegregation."

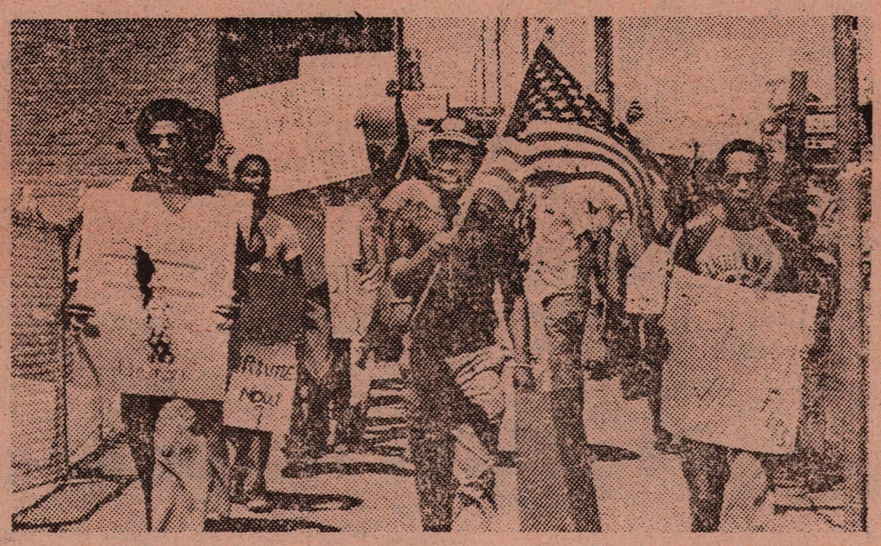
While some 700 students have volunteered to be bused to White schools, officials do not believe they can entice any White parents to allow their children to be bused to the black schools. Robert M. Healey, president of the Chicago Teachers' Union, has called for an increase in the state income tax to finance forced busing. At the same time, members of his union have resisted efforts ordered by a federal court to transfer them to teach in dangerous schools in the negro ghetto.

Meyer Weinberg, Jew professor at City Colleges of Chicago and a self-described authority on school integration, declared: "The Board of Education won't move until it's convinced that the $150 million in federal funds will be cut off." Weinberg added that "President Carter owes this to us. He should force Mr. Califano of HEW to cut off the funds now."

Whites say they do not care whether funds are cut off or not -- they will still refuse to agree to forced busing of their children. When schools opened last month, over 200 parents picketed Bogan High School where negroes were being bused in. A student boycott called the first week of school was 85% effective. Parents picketing nearby Stevenson Elementary School took up a familiar chant in Boston and Louisville: "Two, four, six, eight, we don't want to integrate."

The fact that parents were already picketing and protesting during the middle of the summer, long before schools opened, gives some idea of the intensity of the overwhelming opposition to forced busing in Chicago. We do not believe that such a plan will ever be successful in this city and is doomed before it starts.

Marquette Park White youths turn over car belonging to "Martin Luther King, Jr. Movement" agitators invading their park.



Communist Party Backs King Movement

The *Daily World* communist paper on August 10 called for an "anti-racist" coalition to fight for neighborhood integration. They quoted Jew Norman Roth, deposed head of the UAW union as declaring: "These [White] attacks are aimed at isolating black workers from their White brothers." The article quoted from a letter issued by the Illinois Communist Party to Mayor Michael Bilandic of Chicago, and urged more protection for the Martin Luther King, Jr. Movement's marches into White neighborhoods.

White Sox Comiskey Park is not safe for Whites any more. Robert Bohan took his three sons and three daughters to a White Sox ball game. As they left and passed by the Stateway Gardens Apartments at 35th and Dearborn, they were hit with bricks hurled from above by blacks. Young Richard Bohan, 9, was struck on the head and seriously injured. He was rushed to Mercy Hospital with a skull fracture. His father, a brother and sister were also injured in the senseless attack.

Greyhound Bus station at Clark and Randolph Streets has been the scene of negroes aggressively approaching young White girls who arrive and look "new" to the city. Police have made several arrests of negroes who seek to force the young White girls to work for them as prostitutes. They are so bold that any young White girl who got off a bus was subject to such propositions.

Chicago News Notes

The U.S. Dept. of Housing & Urban Development (HUD) has agreed to finance the move of 1,000 black families into White Chicago neighborhoods to try and break down segregation. They will require suburban apartment developers to set aside certain apartments for negroes, whose rent will be paid by the government. If they do not agree with the plan, they will have "difficulty" obtaining mortgage insurance. (Note: This is a new form of blackmail from a so-called free democratic government.)

University of Chicago student Mark Gromer, 25, was thrown out the window of his apartment to his death in a struggle with an invading negro. Ellis McInnis of 5226 S. Dorchester was arrested. He knifed Gromer in the back and stuffed a rag in his mouth before throwing him out the window. He wanted to make sure the victim did not cry out for help.

Black Couple Move Back to ghetto in Chicago. Charles and Inez McCord said that they were uncomfortable living in a White neighborhood. They knew that the Whites resented their presence. McCord said "We just didn't feel like we were part of the community." They gave up their $390 per month apartment and moved back to the South side.

Chicago Heights High School has been the scene of more racial fighting between White and black students. One-third of the 2,500 student body is black. Windows and chairs have been broken during the fighting. Students have been arrested by patrol cars at the school every day, yet the fighting continues and education is non-existent. No wonder Whites want to keep blacks out of their neighborhood schools in other parts of Chicago.

Chicago Alderman Defends Whites

John S. Madrzyk, 38, whose ward includes Marquette Park, says that the negro marchers are the ones inciting riots. He explained: "Look at the deterioration and abandonment of homes in the all-black Englewood district just to the east of us. Blockbusting with the aid of low down-payment federal aid is responsible for much of this. If you can't afford a down payment, you can't afford to keep your property up. They can't afford a garden hose or a lawn mower. The home just goes to pot. Abandonment of homes automatically leads to to a rapid decline in property values."

Marquette Park is made up of Irish, Poles, Germans, Italians and some 25,000 Lithuanians. Many of their young wear "White Power" T-shirts and declare that their all-White neighborhood will not be overrun by the expanding black community which lies at its edge. As one White neighborhood leader put it, "It is being unrealistic to expect Whites to meekly pack up and leave whenever the black city wishes to expand. Just as nations don't accept border changes peacefully, willingly, neighborhoods like Marquette Park aren't going to, either. We have all the evidence we need right here in Chicago that when a White working class neighborhood begins to change racially, it will not remain livable for Whites. There is overwhelming visible evidence that it will deteriorate and the Whites will be out."

This is the simple explanation of why the Whites of Chicago have decided to make their stand in Marquette Park.

Redlining in Chicago

In 1960 there were 158 Savings and Loan Associations in Chicago. Today there are only about 80 left. They are moving out with the shifting of the population and the issue of "redlining" Savings institutions have found that it is poor business to loan money to negro ghetto homeowners. With federal legislation being prepared right now by Jimmy Carter to force such loans, these associations are moving out so they will not be affected. The Chicago Urban League has declared this the most segregated city in the country, stating: "Chicago has the highest proportion of blacks living in census tracts which are 90% or more black." It is little wonder that White owned home loan firms do not want to throw good money down the black rat hole.

White Couple Murdered on S. Lowe Avenue where they refused to leave when it went all black. Steven Mutnansky, 60, and his wife Elizabeth, 56, were gunned down by a 14 year-old negro youth who lived next door. He had ransacked the home and told police he was waiting for them to return so he could kill them for their car. They had purchased a new car and he wanted it. Ronald Mutnansky, 29, flew in from his home in Long Beach, California, to look after his mother who was in critical condition. Asked if it was racially motivated, he angrily responded: "Others have had their homes burglarized in this block, but only my parents were shot. Is that so hard to deduce?" Mrs. Mutnansky lost an eye from the severe beating. The young black took their car when he thought they were both dead.

Race Mixers Get Out of Bridgeport

The Bridgeport area of Chicago is an exceptionally pleasant neighborhood to live in. The reason being that it is free from blacks. This is the area where former mayor Richard J. Dailey lived. In 1964 blacks tried to move in 2 blocks from the famous mayor and were met in the street by 500 protesting Whites. Every window in the house was knocked out and the blacks decided to move back to their ghetto.

Mrs. Krista Copin
She didn't care to move to the ghetto, she wanted to move the ghetto to her.

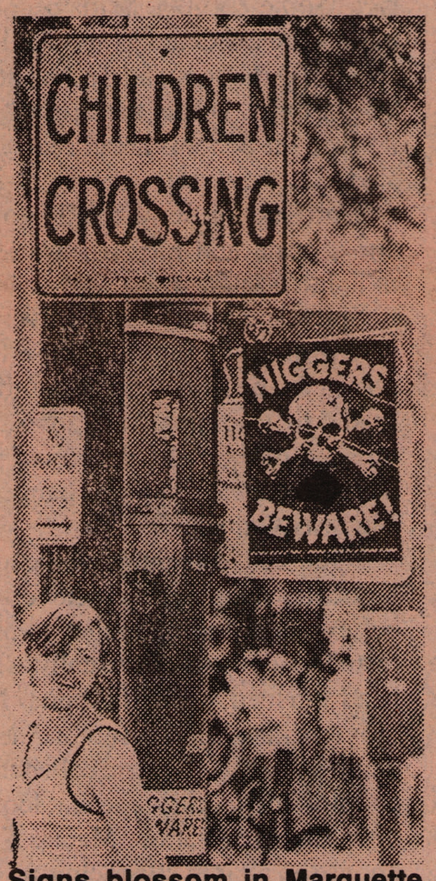
Recently Mrs. Krista Copin moved into an apartment in the 3700 block of South Union in Bridgeport. Mrs. Copin believes in race-mixing and invited a negress who works with her at a supermarket over for a visit. The black woman arrived with her small daughter and a pregnant negress. She told the *Chicago Sun-Times* that soon the landlord was at the door wanting to know if there was any trouble. She said no and he asked "Do you have colored people in there?" She said yes and he told her that "the guys down at the corner tavern are going to come up and bust all the windows. Blacks don't belong here. If you do not make them leave you will have to move."

The Copin woman protested to the press about the landlord's demands, but she has moved out of the apartment building because she said she was afraid of the White neighbors. She could have moved into "nigger town" with all her black friends, but she didn't do that. What we want to know is why don't all those who advocate race-mixing for other Whites move into a ghetto and see just how long they will last!

Whites Battle to Save Marquette Park

Marquette Park symbolizes the determination of the White working middle class to hold onto the last remaining White neighborhood on Chicago's Southwest Side. This beautiful area is but a few blocks from the street which marks the demarcation zone between Whites and blacks.

Very few blacks have moved into Chicago Lawn. Some who made this mistake soon moved back to whence they came. The radical "Martin Luther King, Jr. Movement" has held several marches from the black ghetto to Marquette Park. All have ended with massive White resistance and with the blacks being forced to turn back and literally run for their lives. Police and city officials along with some negro leaders have sought to discourage such negro marches because they are deemed "suicidal." During a recent march, 33 were injured and 63 arrested. Bricks, bottles and rocks filled the air as they rained down upon the heads of



Signs blossom in Marquette Park to show White determination not to let their neighborhood go downhill like the rest of the city.

black "civil rights" marchers. Thousands of Whites have participated in these shows of mass resistance. Negro Jesse Jackson, head of PUSH, says that it is a "race war." Jackson says that the National Guard should be called out to protect the marchers if police cannot control the Whites. He has called for a $50 billion Marshall Plan to rebuild the central cities of America which the blacks have themselves destroyed.

Whites declare that if they allow the negroes to move in they will destroy property values. This would start the process of deterioration which has been the end result of blockbusting in every section of the city that has gone black.

Why Whites Have Drawn The Line

Anyone who drives through the black area of Chicago knows how badly it has deteriorated. Some Whites have already moved once or twice and they do not want to move again. Most are working class people who simply cannot afford to pay $75,000 for a home in the suburbs. Jack Mabley of the *Chicago Tribune* interviewed one Chicago Lawn area home owner and these were her comments on the problem. Mrs. Mary C. responded:

"I've been called a bigot and a racist. Well, I looked up what bigot means. It means you're stubborn and stick to your convictions. It's not so bad to be a bigot. I believe forced integration is wrong. You have minorities move into my schools and they will go like that [she snapped her fingers]. The trouble is that most White people won't stand up and speak out.

"We who do speak out and resist are called racists, red-necks, bigots. The ones who flee to the suburbs are respected and some look down their noses at us. But we are speaking up for our rights. Right now all the mayor is concerned about is that $150 million in federal aid for our schools. Well, it wouldn't be a tragedy if we don't get it. What's going to happen to the Southwest Side isn't worth $150 million.

"When the schools integrate, the education program suffers. The lavatories become places to avoid. They encourage violence and retribution. Parents feel the children are physically threatened. That's why they move away.

"Most of the employees of the Board of Education and the do-gooder integrationists don't live in the city or they have their children in private schools. Most of our people are too poor to move away or pay for private schooling. I've seen every Chicago community that integrated disintegrate east of me. When many minority students attend your school, education ends! They are just day care centers with free lunch programs. Teachers who are concerned about disciplinary problems have no time for reading, writing and arithmetic. I'm tired of hearing that blacks were slaves 200 years ago. I was born in a slum and we worked our way out of it. The trouble today is that White people give up too easy."

During the last battle at Marquette Park, one White shouted: "This is the only White park left. Why don't they leave this park alone?" Because the White people have stood up and fought for their rights, their neighborhood, park and schools are still under White control.

Ritual Murders Denounced

MBABANE, Swaziland (AP) —A Government news release called upon the nation "to stop indulging in the foreign practice of committing ritual murders with the wrong belief that parts of the human body can increase agricultural production. . . ."

Neighborhood Fights For Survival

Chicago Lawn area of Marquette Park has a small number of negroes. All of them agree that they are not wanted by the Whites. Negro William Baldwin lives on S. Oakley Avenue. He says that three days after he moved in, a firecracker blew out his kitchen window. A week later a brick came sailing through his front plate glass window. Then a firebomb burned down his garage. He says Whites shout threats at him from their cars as they drive by his house.

South Oakley Avenue is also where negro Frank Haley lives in another house on the same street where blockbusting is going on. He said the day he moved in 50 Whitemen gathered in front of his home and told him in no uncertain terms what they thought of him. He told reporters that "WHAT WE FACE HERE IS A MOVEMENT!"

Yes, it is the Whiteman's resistance movement and it is rapidly growing nationwide. White people have decided that they no longer are going to allow negro crime, blight, abandoned and burnt-out houses and negro drug addicts to drive them out of their neighborhoods. The time is NOW for the Whiteman to stand up for his rights.

Carter's Program For Us

It is almost unbelievable how many plans Jimmy Carter can come up with which threaten the very survival of America. The following all occurred last month.

1. Carter called for making the District of Columbia our 51st state. This all negro island would give us two more negro Senators and two negro Congressmen.

2. Carter stated it was up to Puerto Rico to determine whether or not they too would become a state. If so, he would support such a move which would give us two more additional negro Senators and 6 negro Congressmen.

3. Carter approved the seating of Communist Vietnam in the U.N. His Ambassador to the U.N., Andrew Young stated: "*We need a strong Vietnam as a buffer against China.*" He failed to explain how that would work!

4. Without Congressional support, Carter has re-opened the U.S. Embassy in Havana and begun trade negotiations with Castro. At the same time Castro has sent 7,000 additional troops to Angola to put down freedom fighters in the Southern part of that country.

There is no end to the programs which Carter can dream up to aid the spread of world communism and damage the rights of White people. He is without a doubt the most extreme left wing president to ever occupy the White House.

All Black African Countries

No Democracy Exists in Black Africa

Majority rule does not exist in any of the black nations of Africa. We continually hear the propaganda line that the Western nations must force Rhodesia and South Africa to accept black majority rule. They do not bother to remind the American people that there is not one single true democracy existing in any black-ruled nation in all of Africa. If the blacks do succeed in taking over the rest of Southern Africa with U.S. aid and pressure, then it will assure the end of civilization in that part of the world.

Black rule will also mean dictatorship, chaos, poverty, murder and ruin for the negro masses who are today protected from tribal conflict by their benevolent White rulers. The following is a study of some of the most brutal dictatorships in the world. Hundreds of thousands of negroes have been brutally murdered by their self-appointed black masters. Here are the shocking facts which the leftist news media in America do not want you to know.

Terror in Uganda

Idi Amin Dada seized power in a military coup in Uganda in January 1971. His first act was to expel the White population. Next came the Asians (from India). Some 40,000 Asians had their property confiscated. During the first two years of his regime, Amin carried out some of the most fiendish executions in the annals of history. By the end of 1973, over 90,000 negroes had been slain.

Since that time the figure is now estimated at 300,000 butchered victims. Of his original military staff, 56 officers have been killed. In one spectacular execution, 32 were crammed into a tiny cell in Makindye prison and blown up with dynamite on March 5, 1971. At least two-thirds of his original army of 9,000 have been executed on charges that they plotted to undermine the state.

Today the so-called ''Bureau of Public Research is in charge of slaughtering those suspected of opposing the Amin regime. The favorite method of execution is by sledgehammer so that scarce ammunition can be saved. Usually hand-picked prisoners are ordered to use hammers to kill those selected for execution. In one shocking display of depravity, a group of prisoners were lined up for execution. The first in line was handed a hammer and ordered to smash in the skull of the second man. Then he, in turn, was ordered to crush in the head of the next in line. This process was repeated until they reached the last man in line. He was then shot in the head. Thus Amin can be credited with inventing mass murder with a single bullet!

Bokassa -- Emperor for Life

''Central African Republic's'' Jean Bokassa has declared himself ''Emperor for Life.'' This landlocked African nation's people live in squalor, yet their leader Bokassa will have himself crowned Emperor in December. Millions are being spent on his self-coronation. In Paris a huge chariot is being constructed for the procession, and a jeweled crown worth a fortune is being made for the occasion.

Bokassa has awarded himself so many medals that he had to have extra long coats made to bear them all. His formula for fighting crime is simple: he orders regular public beatings for thieves. They are beaten until they are dead. Others have ears or hands cut off for petty crimes. The country is so poor that it has defaulted on debts and its credit rating has sunk to zero.

Central African Republic is the size of Texas, but has only 120 miles of paved roads and no railroads. The one lucrative industry is diamond mining and it is owned by the Jew Harry Oppenheimer. Bokassa has become the richest leader in black Africa from pocketing the fees paid by Oppenheimer for mining rights. Bokassa is not only the Emperor, but commander-in-chief of all armed forces and president of the only political party. He tells his people that ''miracles enter my body.''

Bokassa's terror is unpredictable. When Michael Mounomboye, security chief, fell into disfavor, Bokassa personally oversaw the execution. Ordering the victim's family to view the killing, Bokassa then had Mounomboye's eyes torn out before he was shot in the head.

Lt. Colonel Alexandre Banza was another public figure killed. He was dragged before a cabinet meeting where Bokassa slashed Banza several times with a razor. Then he ordered guards to break his back as a lesson to members of the cabinet. Fully 90% of the population lives outside the ''cash economy'' and have no income at all. They must exist off what they can hunt or grow in the jungle.

Michael Goldsmith is an AP foreign correspondent who was imprisoned for 30 days by Bokassa for sending unfavorable reports out of the country. When released after U.S. protests, Goldsmith told a real horror story. He was chained for days to a concrete slab bed. Bokassa personally beat him with his majestic stick. Goldsmith was knocked unconscious and kicked by members of Bokassa's group. His glasses fell to the ground and the Emperor crushed them with his boot. The prison commander, Major Ngongo, deliberately tightened his handcuffs so that they would increase the pain of his swollen left wrist. Clad only in undershorts, he was tormented by a cell full of mosquitoes, rats, cockroaches and lizards. He was not released until he signed a statement that he was some kind of foreign spy..

Jungle Rule Retakes Equatorial Guinea

In 1968 Spain granted Equatorial Guinea its independence. In that year the population of 400,000 had a high standard of living for Africa. The gross national product was $300 per person. The nation's cocoa production provided one-fourth of the world's supply.

When the Spanish colonial authorities left, a democracy was established. It was immediately overthrown by dictator Macias Nguema. On a population basis, he has become the biggest mass murderer in Africa. Some 100,000 of his people have been killed. Most elected officials were executed as soon as he took power. At one time time there were 600 doctors and 16 hospitals serving the people. They no longer exist. Under the Spanish, 90% of the people were literate, but now all the schools are closed because the teachers have been killed or fled. The beautiful Spanish churches are now army depots. Industry and production have totally collapsed. Transportation, communications, trade and banking are paralyzed. Unemployment and severe malnutrition are rife.

Spies and informers are everywhere. One cannot even trust members of his own family. Those favored by the government are able to obtain the basic necessities of life. Last Christmas Eve, Nguema celebrated by staging a double-header execution at the sports stadium. At one end of the field a group of political prisoners were shot, while at the other end a group was hanged-- all this while a loudspeaker played Christmas music!

Nguema is a member of the majority Fang tribe. He has been systematically slaughtering members of the smaller Bubi tribe. He does not believe in spending money to maintain prisons. When a victim is arrested in a village, he usually is soon led to a public square and has his head crushed with rifle butts. Nguema has named towns and youth movements after himself and declared himself president for life. His death squads are called the ''Macias Youth'' and they roam the countryside to kill, rape and loot at will. Terror reigns supreme in this once-civilized nation. Macias Nguema has ordered his picture to hang above the altar in every church. Priests and ministers are compelled to recite ''All for Macias'' at every service. The terrorized villagers say that if there is a devil incarnate, it must be Macias Nguema.

Self-proclaimed ''Emperor'' of Central African Republic, Jean Bokassa, had extra long coat tailored to hold all his self-awarded medals.

Communists Taking Over Africa

As White European influence is being forced out of Africa, it is rapidly being replaced with Soviet domination. On this page we reproduce a map which shows 11 negro nations under Russian-Cuban control. All of the black guerrilla forces now attacking White Rhodesia are communist.

If Rhodesia and South Africa are allowed to fall, both America and England will be responsible for the new communist puppet regimes which will take the place of the present pro-Western governments. Already Soviet control of Ethiopia, Somalia and Yemen give them domination over the Red Sea with their first naval facility on the Indian Ocean. Russian naval bases are now under construction in Angola, which will give them their first foothold in the South Atlantic Ocean.

These rapid communist advances have been accomplished in just a few short years. They recently nearly toppled the government of Zaire (Congo) with their guerrilla attack into Katanga province. This area produces 60% of the world's cobalt. In Marxist Somalia, Russia has its giant airbase, dry docks, fuel tanks, a communications station and naval base.

Red Failure With Arabs

For over 20 years the Soviets sought to influence and take over the Arab nations. They spent billions of dollars and today this investment has gone down the drain. The Russians have been kicked out of Egypt and have lost out in all of the Middle East nations. They do not intend to be losers in Africa. This is why they are sending in large numbers of troops and so-called advisors.

Castro's occupation of Angola is a permanent one. Besides the 20,000 troops there, he has sent in some 45,000 civilian workers. They are running many of the industries and farms which were formerly owned by anti-communist Portuguese. While President Carter opens our embassy in Havana and allows trade and tourism to begin, Castro has not yeilded on any of the demands by Congress that he withdraw from Africa.

Speaking in Algiers recently, Castro told a communist gathering that his forces would stay in Africa *"until the Yankee imperialists are defeated. Like Christopher Columbus, I have discovered a continent in the midst of battle. How long will we stay in Angola? We don't have to discuss that with the Yankee imperialists."*

Thus we see the arrogant attitude of Fidel Castro, before whom Jimmy Carter has America grovelling in the dirt seeking his diplomatic approval. In Ethiopia, the new communist government demanded that all 154 of our embassy military mission leave. They have been replaced by communists from Cuba and Russia.

Evans and Noval, columnists, report that Castro's plan of occupation of Angola is actually helping him at home by thinning out his own overpopulated island. Cuba is about 25% negro and 53% mulatto. Many of these people have been sent to Angola and many are marrying Africans who are part negro and part Portuguese. Evans and Novak refer to this as Castro's "settling in" plan for the permanent occupation of Angola. There are 17 other African countries with Cuban "advisors" present. If Rhodesia does not fall, it will mean that the balance of power in Southern Africa has fallen to the anti-West, pro-communist side.

Assassination in Africa

Black leaders are continuously fending off assassination attempts. Three have been killed during the past 18 months. One was Abeid Amani Karume of Zanzibar. His nation is ruled by Communist East German police in charge of the Security Force. While people there live in mud huts, Karume built a $6 million football stadium. Kerume gained notoriety in 1970 when he ordered that all the Arab and Asian girls on the island had to marry negroes. He said this was the best method to promote racial integration. All 29 members of his Revolutionary Council picked out light-skinned girls for the forced marriages -- including Kerume, who already had three wives. Last year he was shot dead by one of his ch'ef aides who is now the new dictator.

Why Does West Aid Russia?

Anti-Communists Still Fight in Angola

Despite the Cuban presence in the Angolan communist government, at least one-fourth of the nation is still under control of the UNITA forces of negro Jonas M. Savimbi. The Portuguese government reported a study they made in 1975 which indicated that two-thirds of the population supported UNITA. Today they are the anti-communist guerillas fighting in the jungles of the southern part of Angola with some help from South Africa. Recently, Savimbi issued a statement attacking Western nations which are sending help to the Castro dominated Angolan government. Savimbi wrote:

"Why is Italy sending aid to fortify the weak economy of Angola? Is this because Italy herself is at the brink of a communist takeover while still remaining in NATO? Is this the view of the Italian majority or appeasement of the Communist Party? Japan, Sweden, Brazil, Finland and Norway are rushing into Angola with money and technical know-how which will simply help consolidate a Russian satellite on the Atlantic.

"Many Protestant and Catholic Church leaders have been imprisoned, tortured, repressed and are languishing in concentration camps. Yet the World Council of Churches, instead of denouncing the ill-treatment of Christians, has sent a delegation that engaged in a fund-raising campaign for Angola! Portugal has sent in advisors, technicians and skilled laborers to make workable that which their settlers lost. We do not understand why Western countries flirt and compromise with the enemy instead of sending aid to our popular front. The West is placing us under Soviet slavery and a prolonged civil war."

It is the irony of our time that America and Western Europe are chiefly responsible for Russia's spectacular gains in Africa. If the rest of Southern Africa falls, it will be the fault of the TREASONOUS leaders in Washington and their Jew masters.

Missionary Funds Go To Red Guerrillas

Former U.S. Ambassador to South Vietnam, Eldridge Durbrow, charges that the National Council of Churches is giving aid to communist forces. Through its affiliation with the World Council of Churches, money collected by U.S. Churches for missionary relief is going to African Marxist guerrillas who are killing men, women, and children. Mr. Durbrow stated: *"Americans who support the WCC think they're contributing to world peace and aiding the needy. Sadly, they don't realize that they are actually contributing to the communist cause."*

Discourage Whites From Having Children

Anti-Children Campaign Underway

In America the average White family today has fewer than 1½ children. It is necessary for the perpetuation of the race that at least an average of 2.5 children per family be maintained. (The ½ child is to make up for those who do not marry or cannot have offspring.)

There is a national campaign underway to discourage couples from having any children at all. If they should desire to sire children, "family planners" urge that couples limit them to no more than 1 child per family.

Ann Landers and her sister "Dear Abby" have long carried on a campaign to discourage the bearing of children. These two Jewesses (family name Lederer) continuously write that children cost too much, cause unhappiness, as well as lead to marital breakups. Dr. Joyce Brothers, once a contestant on a rigged TV quiz show which turned out to be a scandal, today works for NBC and writes a syndicated advice column. Her January 5, 1977 article failed to name her "source," but claimed that *"research indicates that the happiest married couples are those without children."*

Dr. Brothers, a psychologist, says that while some parents experience sorrow when grown children leave home, "research seems to indicate the opposite is true," that parents are free to experience *"fulfillment."* She says that child-rearing pressures are "so great" that many are relieved when the responsibility is over. This is part of a coldly calculated program to convince White people not to have children.

Dr. Harold Feldman, Jewish professor of family studies at Cornell University, claims that having children causes a *"drop in the sense of satisfaction"* in a marriage. He says that parents expend so much energy on the children that they neglect each other.

Your editor has found the opposite to be true. Children hold families together and bring a sense of happiness and pride in the achievements of the children, as well as their loving presence.

Dr. David Ryback, a Jew psycholigist in Atlanta, had his line published in the May 31 issue of *The Atlanta Constitution*. He claimed that some parents think they they should have additional children because a lone child may become "spoiled, pampered, selfish and lonely." Ryback claims that such children are better achievers, better adjusted and more mature. This represents his personal theories on why Whites should limit their families to not more than one child.

The truth is that only White people have been accepting such advice which is promoted in the daily press. The White Race has dropped below "population zero." We are today fewer than 1 out of 10 of the world's population. Unless White people go back to placing home and family above the pursuit of personal pleasure, then in the future we will discover that the rapidly proliferating non-Whites have seized control of our nation..

It should be emphasized that it is now estimated that colored peoples will be a majority in America by the year 2075. With current non-White immigration inundating this country, that date may come much sooner -- within the lifetimes of our children. It is our duty to make sure that when we depart from this world, we leave it a more racially secure place for posterity.

Blacks Outbreed Whites

THE CENSUS: Birth Report

In 1970, the U.S. Census Bureau asked women some highly personal questions—and last week it published the results. The bureau found that the rate of illegitimate first births has stabilized among whites over the past two decades but soared among blacks; 6.4 per cent of 25- to 30-year-old white mothers—as opposed to 38 per cent of black—were unwed when they had their first child. Nearly all unwed mothers later married, but whites more often married before the child was born.

White Children Suffer

Integration Brings Lower Standards

The latest nation-wide surveys show that negro students do more poorly than Whites. Also, black schools and colleges turn out graduates far below the average testing levels.

South Carolina NTE exams for students seeking to become teachers discovered the following: Bob Jones University in Greenville had the best scores, with 94% passing NTE. Clemson University has 80% of its students pass, and the University of South Carolina has 75%, with the military college, The Citadel, with 65%.

On the other hand, the black colleges in South Carolina found only an average of 3% of their students passing NTE. Negro S.C. State College did best with 10%. NTE represents the minimum score necessary for students to be certified as teachers. Many of the blacks will still obtain teaching certificates. This is one of the reasons many White parents complain about the poor quality of negro teachers instructing White children.

Louisville, Ky. Scores

Jefferson County's average black student is lagging far behind White students. Testing on basic skills in reading and mathematics found a wide disparity in ability. The report found that as the students progressed into the higher grades, the comparison becomes more glaring. The gap is largest in grades 7 through 11.

On reading scores for black students, the range was from a low of 18 percentile points to a high of 43. For the average White student, the score went from a low of 46 to a high of 58. Thus, the lowest average for Louisville White children was superior to the high for the average black.

Boston, Mass. was part of an $8.4 million federal grant to study the racial integration had on students. The 900-page report report found that in two key areas the blacks fell far behind the Whites in testing. This was in math and reading. Another result of busing is that this once mostly all-White city now has a majority black student enrollment in the public schools.

Houston, Texas public schools report that their achievement scores are the lowest since records were compiled. This certainly proves that civilization can slip backward if we upset the natural law which dictates different races should associate with their own kind. School Superintendent Billy Reagan says: *"We are dealing with a totally different student clientele today."*

Mr. Reagan makes the picture very clear and says that no longer can we expel children who cause discipline problems and that in decades past: *"children who fell behind usually dropped out of school by the fifth grade. Today we are committed to giving all children an education."*

Thus we see that forced busing and racial integration result in the lowering of school standards. Whites forced into such "blackboard jungle" schools suffer the most. There can be no doubt that such a poor environment means practically no education at all for many young White children. Think of the brain-power which is lost and the momentum civilization itself loses when White children are deprived of a decent education.

Within the last 10 years the U.S. has slipped from first place in maintaining the world's highest standard of living to sixth place. We will drop much lower if these frightening trends continue. Racial integration can be the beginning of the end of our great American civilization if we do not recognize the signs for what they are. Demand that our children once again be separated by race in the schools of the nation.

Accused deny cutting up man

DURBAN — An 18-year-old African girl told a Durban judge yesterday how two African men killed her lover, then made her hold a lighted candle while they cut out his heart, lungs, testicles, intestines, the top half of his skull, his tongue and his eyes.

The girl, Thandazele Mzobe, was giving evidence before Mr. Justice Kennedy, sitting with two assessors, at the trial of Pikeshilo Chiliza and Nduna Mtetwa. They have both pleaded not guilty to murdering Mfanufikile Khanyile in March last year at Mariannhill, near Durban.

The girl told the Court that the two men forced their way into her room, one stabbing her in the chest with an assegai before killing Khanyile.

They made her carry Khanyile on her back into a field, where Chiliza stabbed him in the chest with his assegai and then drank the blood from the assegai.

They left the body there and when they arrived at the place where the men stayed, they tied her to a stump with a cord. When it was dark, they took cane-knives ond two bags and returned to the body. They forced her to hold the lighted candle, while they cut her lover's body open.

SWORN STATEMENT

In a sworn statement made on June 22 last year, Chiliza said that he and Mtetwa went to the deceased's hut to fetch his lover.

"We did not agree to kill him. We pushed the door open, Mtetwa striking the deceased all over the body with a big knotted stick with sharp ends. I dragged the girl out while Mtetwa was hitting the deceased continually."

Then all three of them carried the body into the bush, leaving it there.

That night Mtetwa suggested they should return and cut off the head. He disagreed, but after Mtetwa pleaded with him, they returned the same evening.

"CUT OPEN STOMACH"

"Mtetwa had a long bush-knife and he struck the head, removing the cranium. I had a pocket-knife and cut open the stomach at the front and removed the fat. Mtetwa then cut one of the hands off, and striking the body he removed other parts of it.

"We also took the top portion of his skull."

The next morning they agreed to take parts of the body to an "inganga" (witch-doctor) in Pietermaritzburg, and three weeks later Mtetwa did so, taking one arm, the liver and other parts of the body.

However, he returned two weeks later saying that the witch-doctor wanted other parts, including the skull and fat but they were arrested before this could be done.

Two Charge Amin Practices Cannibalism

South African Alternative Party

White Racist Party in South Africa

The political party in South Africa which is closest to the National States Rights Party in America and the National Front in England is the "Reformed National Party." Its leader is Mr. Johannes Hertzog. His father was the famed General J.M. Hertzog who was prime minister from 1924 to 1939.

Mr. Hertzog was Minister of Communications in the South African government for 10 years until he led a walk-out from the present governing National Party in 1969. He fought to keep television out of South Africa because he predicted it would promote Race-mixing and would 'pander to the lowest instincts" of the masses. He warned that TV "will corrupt our young people, just as it has corrupted the youth of America." SO RIGHT HE IS!

Hertzog's "Reformed National Party" received 44,717 votes in the last election. Although this was only about 4% of the total vote, Hertzog is still considered a thorn in the side of Prime Minister John Vorster. It is recognized that should the White people come to the conclusion that Vorster is surrendering too many of their rights to the blacks, there is the White Racist "Reformed National Party" to which they can turn. Thus, Vorster spends much of his time answering the charges of the Hertzog group.

Mr. Johannes Hertzog says: "You can see the catastrophe coming. Vorster is totally ignorant of the native question. This has led him to start breaking down Apartheid (segregation). This is the whole basis of the peaceful living we have had in the past in South Africa."

John Vorster

Hertzog explains that when Whites first began settling in South Africa in 1652, it was largely unpopulated. The blacks came down later to obtain work from the White pioneers of the country. Unfortunately, the White population has grown slowly to about 4.3 million today. The blacks, with an extremely high birth rate, are now 18.6 million. Hertzog declares that the civilization which exists today in South Africa was created by the brilliance of the White Race. He says that "blacks have not achieved the standards of civilization that the Whites have and will not do so in the foreseeable future."

Hertzog says that integration in hotels, restaurants, sports, and allowing blacks to buy homes outside of their designated tribal areas are concessions which will eventually lead to riots worse than those in Soweto, in which 400 blacks were killed last year. Hertzog explains how integration affects the negro mind:

"When the Whiteman told the native, 'you can't have social and political rights here, this is our land and you are merely a guest worker here,' he understood it. But now, with Vorster telling him, 'You can go to the hotels, you can buy your home in White areas -- the native tells himself -- Ah, it was my land all along. You've been cheating me all these years.' It's only a short step from there to all this violence."

Hertzog considers Vorster's plan to establish 9 independent black tribal nations inside South Africa as "even more menacing." When the new negro nation Transkei was set up last December 6, Mr. Hertzog declared: "It's really madness, creating sovereign states close to our big cities in which they can do what they like -- invite Russians in, give them bases, start terrorist camps."

"On top of that, Vorster is going to hand over Southwest Africa and Rhodesia to Marxists. It is almost unbelievable what this man is doing to our nation. In another two years the enemy will be able to attack us from all sides. Vorster says he is ready for a fight, but others have always done the fighting for him in the past. At the crucial moment, when you think he'll stand and fight for our independence, he'll turn around and say: 'I'm going to make peace, I'm conceding to their demands.' "

Johannes Hertzog and his "Reformed National Party" represent a safety valve for the embattled White people of South Africa. They indeed do have an alternative political force they can turn to when they eventually realize that Prime Minister John Vorster is compromising their interests. His participation in the never-ending negotiations are in reality a sell-out of the interests of the White people of South Africa. Never forget that there would be no civilization at all in that part of the world if it were not for the presence of the White Race.

Amin has developed a taste for black flesh. Is he finding his "Roots"?

Israel & Russia Aid Ethiopia

Foreign correspondent Michael Kaufman of the *New York Times* reports that both Israel and Russia are giving economic and military aid to Ethiopia. This nation has seen the assassination of Emperor Haile Selassie and thousands of others who oppose the new revolutionary communist regime.

Kaufman, who is Jewish, writes that Israel is aiding Ethiopia because she does not want to see Islamic Eritria and Islamic Somalia in the East controlling the Red Sea. Russia sees the new communist leadership in Addis Ababa as their new Angola-like puppet state in the eastern part of Africa. Cuban communists are training negro troops in Ethiopia for the Soviets. Thus we see both the Jews and communists working closely together on another joint project.

Amin is a Cannibal

Two ex-members of Ugandan President Idi Amin's entourage have charged that the dictator is an avid advocate of cannibalism. Henry Kyemba, Amin's private secretary, told the *London Sunday Times* that:

"I am ashamed to admit that, on several occasions while I was his secretary, he told me, quite proudly, that he had eaten either the organs or the flesh of his human victims. I have no doubt he was serious when he told me that he had eaten human meat on a number of occasions. He remarked emphatically that it was salty."

Of the original 42 members of Amin's revolutionary government, 27 have been executed. Professor Jons Kibukamuskoe, Amin's personal physician from 1971 to 1973, charges that Uganda's foreign minister, Michael Ondaga, was found floating in the River Nile in 1973. Prof. Kibukamuskoe personally examined the corpse and discovered that the liver had been cut away. Upon reporting this fact to Gen. Amin, the tyrant suddenly blurted out that he had Ondaga slain and ate his liver "to keep away the evil spirits."

With the absence of the Whiteman's influence over the blacks, we can easily see how quickly they revert back to their primitive and savage ways.

When Will A Black Be Executed?

Florida courts have scheduled John A. Spenkelink for execution. He is White as was Gary Gilmore. Over 75% of those on death row are negroes in Florida. Of their 111 victims, 108 were Whites. Yet, no date for execution of a single negro has been set in any state in the union. It seems that the judges and politicians are afraid to order an actual execution of a negro! Yet, blacks are commiting over 90% of ALL murders in our major cities. No wonder law and order is breaking down in America.

AFRICAN SLASHES GIRL FOR BLOOD IN RITUAL

LONDON (UPI)—An African immigrant pleaded guilty to knifing his blonde American girl friend 14 times, then mixing her blood with wine for them to drink in a tribal ritual.

"I pleaded guilty, but this was not done with malice or violence," David Esesien, 29, of Nigeria, said. "She is a wonderful woman, a woman I dearly love. So much that I could not harm her."

Helen Sharman, 29, an American living in Britain, told a different story. She said Esesien punched her in the face, then sliced her arms, face and legs with his knife. The judge seemed to agree with her story.

"You are a vicious man," he told Esesien, and sentenced him to six months in jail.

Esesien claimed there was nothing wrong with his actions, that they only followed a tribal custom.

"As part of the ritual, I took blood from her arms and thighs, mixed it with wine and we drank it as we knelt on an animal's skin," he said.

Missionary Funds Go To Guerrillas

ARE YOU HELPING TO FINANCE TERRORISTS IN SOUTH AFRICA AND RHODESIA?

Millions of unwitting Americans have been contributing funds to such African terrorists groups as the MPLA, SWAPO, ZANU, and ZAPU through the World Council of Churches. Believing that their donations are to be used in the support of Christianity throughout the world, approximately 35 million American church members contribute funds to their local churches, a portion of which ends up in the hands of these Marxist terrorist organizations.

The World Council of Churches (WCC) describes itself as an "organization devoted to building Christian solidarity . . . and the Ecumenical Revolution." The WCC has almost 250 member churches in over 90 nations representing 28 denominations and 350 million Christians.

The WCC's "Special Fund to Combat Racism" has, since 1970, contributed over $1,000,000 to a wide assortment of communist terrorist groups in Africa and to Marxist groups in the United States. In 1973, the WCC gave $2,000,000 to North Vietnam and $1,000,000 to Laos and Cambodia. While the WCC has been extremely vocal in protesting against the South Vietnamese, South African and Rhodesian governments, they have never found cause to criticize any Marxist government.

A primary reason for the WCC's anti-democratic stance and its lack of concern for freedom and human rights is due to the Soviet's ability to control the WCC through one of the Council's six presidents: Boris Nikodim — a Soviet citizen who has been identified by a KGB defector as a high-ranking KGB officer.

Jews Want Christmas Pageants Abolished

Christians Celebrate Jewish High Holy Day

By BETH COCANOUGHER
Sun-Tattler Staff

Yom Kippur, the most sacred of Hebrew holidays, will be marked for the first time this year with the closing Monday of Broward public schools.

But principals report no schoolwide recognition of the holiday, saying explanations of Yom Kippur are left to teachers' descretions.

This is the situation despite the probability that many non-Jewish students do not know why they are being given a holiday. ("Yom Kippur?" asked one student aide. "Is that today's holiday or Monday's? Well, we're out of school on Monday.")

YOM KIPPUR is known as the Day of Atonement by Jews throughout the world. It is observed by fasting from sunset Sunday to sunset Monday as Jews pray to God for forgiveness.

"IF YOU RECOGNIZE one religious faith, you need to recognize all of them," Olsen Middle Principal Gene Roberts said. "We don't recognize any religious holidays in school — we've been condemned for it before."

The incident to which Olsen refers occurred about four years ago when New Testaments were available to an assembly for students who wanted them. When the students took them home, he said, "parents were offended — it was an invasion on their rights."

A similar incident occurred in the spring of 1975 when two south county elementary principals were charged with allowing children to take home permission slips for their parents to sign if the students could accept Bibles. The complaint was filed by the Anti-Defamation League of Miami and was said to go against board policy of "maintaining a position of neutrality" in religion.

EARL STABLER, principal of South Broward High School, said the only schoolwide recognition of Yom Kippur at South Broward was a statement on the school bulletin saying, "Have a happy holiday." That statement could apply to everyone, he said, since everyone has a holiday from school.

Stabler said each year South Broward is entertained by a singing group called "Up With People" which "tends to go to the Christian side" of religion. And each year he has objections from Jewish students and parents at the school, he said.

Jews Order Hymn Banned

The Jewish Anti-Defamation League asked the American Lutheran Church to delete from its hymn books *"Reproaches,"* also called *"Improperia."* They charge that it might arouse *"latent anti-Semitic feelings in Lutherans."* The poem accuses Jews of ingratitude for their deliverance from Egyptian bondage and blames them for the crucifixion of Jesus. Conservative Lutheran head Dr. David Preus agreed to the Jewish demands.

The American Jewish Congress on October 26, 1976, called for state legislatures to *"wipe off the books all Sunday closing laws because they serve the enhancement and reinforcement of certain religions."* Of course, they are talking about Christianity! This is an open admission that Jewish legal actions are aimed at stopping the practice of Christianity because it is a religion they deeply resent.

Miami School Stops Evangelist

Rev. James Robison is a 32 year old Baptist evangelist who speaks to high school groups on the evils of alcohol, drugs, tobacco and premarital sex. He is quite popular with the young people. Rev. Robison was scheduled to address the student body at Miami Coral Park Senior High when Principal Danile Wagner cancelled the talk. About 40% of the luxurious beach high school is Jewish and Wagner said some parents had objected. We have never heard of a Jewish leader being cancelled from addressing any group once it was announced. In fact, few would dare to oppose one of the self-chosen people.

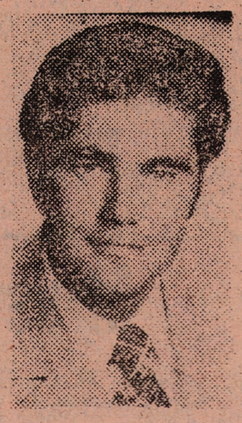
Louisville Rabbi Irving P. Glickman was quoted in the *Courier-Journal* as stating that the publicity given the Klan in that paper made it sound like a *"Baptist Seminary newsletter."* Baptists protested that this was not true and the rabbi publically apologized --but it shows that Jewish hatred of the Klan also represents Jewry's feelings toward the Baptist Church.

Rabbi Glickman insulted Louisville Christians when he claimed that: *"A city without Jews means no more concerts, no more plays, no more museums. Any city with a decent number of Jews is better off culturally, educationally and scientifically."*

Of course, Jewish domination of the pornography industry makes this story a lie. Rodger Cunningham of Bloomington, Indiana, wrote the *Courier-Journal* that such remarks *"make it not surprising that the rabbi is so frequently confronted with examples of what he takes to be anti-Semitism."*

Jewish Holiday Celebrated

Yom Kippur was marked last year, for the first time, by the closing of all Broward County (Ft. Lauderdale) schools. Reprinted on this page from the *Hollywood Fla. Sun* is the story which was not carried by the news wire services. It clearly shows that while Jews want to abolish all public Christian celebrations they are going to insist that our children honor their holidays! This is certainly one-sided on the part of the Jews and is further proof that they are both prejudiced and intolerant in their attitude towards Christians.



Rev. James Robison, stopped by Jews from lecturing in Miami schools.

NAACP Demands Jobs

The NAACP said that Carter must put jobs for minorities ahead of balancing the budget. Benjamin Hooks, NAACP head, stated that blacks are going back to street demonstrations. He says they will be *"nonviolent, but very harassing."* Hooks said that the government should hire more blacks if there are no civilian openings for them. Their goals will be more *"human aid [welfare], socialized medicine, more liberal criminal justice system and higher welfare payments."*

Jews Have 47 Court Cases Against Christians

People have long heard that the Jews are a *"poor persecuted people."* At the same time, there is rarely any mention of the intolerance Jews demonstrate towards Christianity. While Christians are asked to support Israel and give to Jewish charities, the Jews have actually declared open warfare against many Christian practices.

The American Jewish Congress right now has 47 cases in Federal court seeking to stop aid to Christian schools, as well as practices in public schools and universities. Their lawyer, Joseph B. Robison, says that the AJC *"keeps a close watch on Christian activities"* and is ready to take legal action at a moment's notice.

In the suburbs of Washington, public schools have been ordered not to have any Christmas pageants. In the lobby of the Wakefield Forest Elementary School in Annandale, they will erect a "mitten tree," as it cannot be called a Christmas tree. At Skyline Elementary in Suitland they will hold a "Winter Concert" as they are forbidden to call it a "Christmas Concert." The Christmas holidays will be called "Winter Holidays" because of Jewish court action.

Jason R. Silverman, director of the Maryland Jewish Anti-Defamation League, says that they are pleased that Christmas displays, skits and pageants recreating the nativity scene, along with Christmas singing, have been eliminated. Silverman says *"there was too much teaching time wasted preparing for the holidays."*

Prince Georges County Board of Education president, Mrs. Sue V. Mills, says that school officials have gone too far. She said many Christian parents have complained that by removing all the religious significance of Christmas, there is nothing left but the *"crass commercialism of Santa Claus and gift swapping."* (This Jewish store owners highly approve of.)

Christianity Attacked in California

The State of California has been ordered to pay two San Francisco Jewish lawyers $75,000 in legal fees for their successful suit which forbids the state employees to leave work three hours early on Good Friday. Richard Kaplan and Ephraim Margolin are the first in California history to be given a financial reward for legal fees in a case where the plaintiff suffered no personal damage. Shelley Mandel, a Jew clerk typist for the State Department of Public Health, allowed his name to be used in the legal action.

For more than 30 years the windows of Los Angeles City Hall were lit in the form of a cross during Easter and Christmas. Beverly Hills Jewess Dorothy Metzger Fox brought the suit which resulted in the banning of the display.

Jews Push Christians Too Far

Harrisburg, Pennsylvania lawyer William B. Ball wrote in the *Catholic Standard and Times* that *"Jewish organizations and leaders are violating the standards of elementary fairness"* by opposing aid to Christian schools. Attorney Ball defended Christian schools in a case brought by the American Jewish Congress, American Jewish Committee, Jewish Anti-Defamation League of B'nai B'rith, Central Conference of American Rabbis, National Council of Jewish Women and Union of American Hebrew Congregations which had the federal courts ban the loaning of instructional materials to Christian schools.

Mr. Ball also stated that the brief presented by the Jews was in itself an insult and a slur. Its insolence is obvious due to the outrageous wording which included: *"How can we be assured that a Catholic mathematics teacher will not use the rosary beads for teaching counting?"*

The brief also attacked the possibility that *"such equipment can be used to construct crosses, crucifixes and altars."* Ball said that this was certainly blatant *"bigotry"* on the part of the Jews. He asked the court to dismiss such *"ludicrous"* charges.

Attorney Ball went on to warn that *"Jewish organizations must consider the staggering question facing Christians on how they should respond to the impassioned liberality which characterizes appeals by Jews for aid to Israel. As the New York Times and Congressional reports have well documented, these appeals presently seek at least $3 billion, plus committments which some have said can lead to war. This dwarfs any aid to Christian school children imaginable. Further, substantial American taxpayer funds have already been put to Jewish religious use in Israel. How does aid to our children differ from aid to Israel?"* These are vital questions which the Jews cannot answer and dare not try and explain.

Jewish contempt for Christianity was demonstrated in a published letter in the November 18, 1976 issue of the *New York Daily News* from a Jew. He said he was tired of seeing the U.S. Post Office issue new Christmas stamps every year. (The stamps are non-denominational.) He said it was time for a stamp honoring Chanukah to recognize a Jewish holiday. Chanukah was a little-known day on the Jewish calendar and never celebrated at all until recent years. In order to stop Jews from having Christmas trees and giving gifts like Christians, they came up with the Chanukah bush. They made the Chanukah celebration gift swapping a copy of the type of Christmas they want us to hold.

"Legacy Of The Melting Pot"

By Attorney Drew L. Smith — 225 Pages

The only book giving the full story on the Kennedy Immigration Law of 1965 and how it has resulted in a flood of non-White immigration which is inundating America. Drew Smith shows how the White Race will end up being a minority in its own homeland unless this vast tide of blacks, Asians and South America mongrels are not stopped from pouring across our borders. Today two thirds of all arriving immigrants are non-White!
